DETAILED ACTION

Response to Amendment and Arguments

1. Applicant's amendment filed on January 14, 2005 has been entered and made of record.
2. In view of applicant's amendment and upon further consideration, the rejections under 35 U.S.C 103 are withdrawn.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: the essential difference from the prior art is the use of camera image data from different focus distances to generate the three-dimensional shape of the patient body part and using the detected three-dimensional shape with a navigation system for location referencing in radiotherapy methods or surgical operations. These features in combination with the other elements of the claim and the base claim are not disclosed or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
